

**START YOUR JOURNEY RIGHT,
WITH JET SET SECURE.**

**WHEREVER
YOU GO,
WE KEEP
YOU PROTECTED.**

Travel the world and leave the worries behind. We'll cover your unexpected expenses that might arise during your journey, whether it's a sudden illness, a lost passport, or a missing luggage.

THINGS TO LOOK FOR WHILE CHOOSING A TRAVEL INSURANCE PLAN

Purpose of Visit: Choose your insurance according to the nature of your trip. Whether it's for study, business, family visits, a single journey, or if you're a frequent traveler, ensure your plan aligns with your travel purpose.

Sub-Limits, Co-Pay & Per Illness Limits: Always check for any sub-limits, co-pay, or limits per illness. At claim time, you'll be responsible for any balance not covered by your plan.

Potential Extended Stays: If there's a chance your stay might extend, opt for a flexible plan. Premium adjustments would account for the extended travel period.

Possible Shortened Stays: If you're uncertain about the length of your trip, select a plan that provides refunds for early returns.

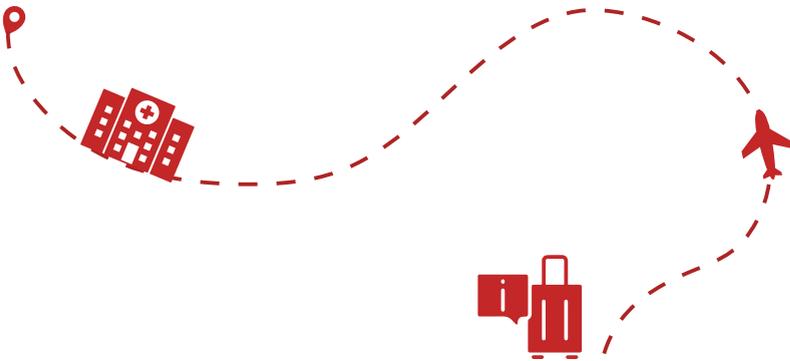

Pre-Existing Conditions: For those with existing health concerns, it's crucial to pick a plan that covers emergency treatments, so you're taken care of if complications arise.
